EMPLOYMENT HISTORY

Current position: **Professor** of Government and Politics, University of Maryland, College Park (effective August 2007). **Director**, Harrison Program on the Future Global Agenda (since 2000). **Faculty coordinator**, Environmental Politics and Policy concentration for campus interdisciplinary major in Environmental Science and Policy (since 1997). **Faculty affiliate**, University of Maryland School of Public Affairs (since 1999).

Previous positions:

Associate professor, Department of Government and Politics, University of Maryland, College Park, 1998-2007.

Assistant professor, Department of Government and Politics, University of Maryland, College Park, 1993-1998.

Visiting assistant professor, Department of Politics, Mount Holyoke College, 1992-93 academic year.

Research fellow, MIT Center for International Studies, 1991-92 academic year.

Lecturer, Program on Peace and Conflict Studies, University of California, Berkeley, spring semester 1991.

Contractor, Industry, Technology and Employment Program, Congressional Office of Technology Assessment, 1985-86.

Policy analyst, Office of Energy Emergency Policy and Evaluation, U.S. Department of Energy, 1984-85.

Visiting/temporary appointments:

Instructor, Maryland Leadership Institute, School of Public Affairs, University of Maryland, College Park, summer 1996 and summer 2001.

Visiting professor, Department of Political Science, Nankai University, People's Republic of

China, June 1995.

Visiting scholar, Interdisciplinary Energy Group (AIE), Graduate Engineering Program (COPPE), Federal University of Rio de Janeiro, September-October 1989.

Research associate, Berkeley Roundtable on the International Economy, University of California, Berkeley, 1987-1992.

EDUCATION

Ph.D., Energy and Resources Group (ERG), University of California, Berkeley, 1992. ERG is an interdisciplinary unit at Berkeley "conducting programs of graduate teaching and research that treat issues of energy, resources, development, human and biological diversity, and international security at the intersection of technological, economic, environmental, and sociopolitical components." <http://ist-socrates.berkeley.edu/erg/> Dissertation "Global Markets, Local Politics, and Military Industrialization in Brazil." Dissertation chair Dr. John Holdren.

M.S., Institute for Environmental Studies (IES), University of Wisconsin-Madison, 1985. Specialization in Energy Analysis and Policy, Land Resources Program.

Sc.B., Geological Science, Brown University, 1982. Senior thesis "Fluid flow in porous media."

PROFESSIONAL ACTIVITIES

Lectures, papers presented, and conference and workshop activities:

More than 100 public lectures, papers presented, and other conference and workshop appearances since 1988. Activities during the past three years include the following:

Plenary address on Environmental Change, Conflicts, and Vulnerability in War-Torn Societies, Global Environmental Change and Human Security (GECHS) Synthesis Conference, University of Oslo, Norway, June 2009.

Chaired panel "Water Scarcity, Governance, and Stakeholder Participation," Global Environmental Change and Human Security (GECHS) Synthesis Conference, University of Oslo, Norway, June 2009.

Invited participant, "First Symposium on Strengthening Post-Conflict Security and Diplomacy: Lessons Learned in Integrating Natural Resources, Infrastructure, and Peacebuilding," Columbia University, May 2009.

Discussant for the panel "Governing Transboundary Waters: Confronting Conflict and Uncertainty," 50th annual meeting of the International Studies Association, New York, February 2009.

Presented lecture "Water and Violence: Assessing Pathways to Violent Conflict over Water," National Defense University, Industrial College of the Armed Forces, January 2009.

Presented colloquium lecture "Water and Violent Conflict," Department of Geography, University of Maryland, December 2008.

Participant in the roundtable panel discussion "The Meaning of 2008," Committee on Politics, Philosophy and Public Policy, University of Maryland, December 2008.

Presented paper "Environmental Peacebuilding in War-Torn Societies: Lessons from the UN Environment Programme's Experience with Postconflict Assessment" at the Joint Forum on Managing Natural Resources in Post-Conflict Societies: Lessons in Making the Transition to Peace, Columbia University, New York, September 2008.

Chaired panel "Water" at the Joint Forum on Managing Natural Resources in Post-Conflict Societies: Lessons in Making the Transition to Peace, Columbia University, New York, September 2008.

Presented lecture "Governing Water: Understanding the Global Water Crisis," University of

Massachusetts, October 2007.

Facilitator and invited participant for the workshop “Managing Natural Resources in Post-Conflict Societies: Lessons in Making the Transition to Peace,” United Nations Environment Programme, Geneva, September 2007.

Presented briefing on “Water and Violence: Assessing Pathways to Violent Conflict over Water” to staff of the Post-conflict and Disaster Management Branch, UN Environment Programme, Geneva, September 2007.

Presented lecture “Water Institutions” for the Advanced Institute on Global Environmental Change and the Vulnerability of Water Resources in the Context of the Millennium Development Goals, UNESCO Institute for Water Education, Delft, Netherlands, September 2007.

Organized the GVPT Conference, Department of Government and Politics, University of Maryland, September 2007.

Presented paper “Transnational Contention as a Source of Global Institution Building: The Case of Water,” for the thematic session “Transformations of Global Governance: The Role of NGOs,” American Sociological Association, New York, August 2007.

Semi-plenary address, “Earth System Governance: Perspectives from IHDP and Earth System Science Partnership Projects,” Amsterdam Conference on the Human Dimensions of Global Environmental Change, May 2007.

Chaired panel “Transnational and Global Governance of Water Problems, Amsterdam Conference on the Human Dimensions of Global Environmental Change, May 2007.

Organized and facilitated workshop on “Environmental Challenges of War-Torn Societies: Linking Peacebuilding, Sustainability, and Human Security,” conducted at 48th annual annual meeting of the International Studies Association meeting, Chicago, March 2007.

Presented paper “The United States and International Water Governance,” at the 48th annual meeting of the International Studies Association, Chicago, March 2007

Invited lecture “The International Politics of Water: Conflict, Cooperation, and Human Security,” Furman University, March 2007.

Keynote speaker, Conference of the Integrated and Transboundary Water Resource Research Network, Uppsala, Sweden, December 2006.

Invited lecture “Environmental Peacebuilding in War-Torn Societies,” Department of Peace and Conflict Research, Uppsala University, December 2006.

Invited lecture “Transnational Dimensions of Domestic Change: The Trajectory of Post-Apartheid Water Policy Reform in South Africa,” Nicholas School of Environment, Duke University, December 2006.

Co-organizer and featured presenter for the Workshop on Environmental Challenges in War-Torn Societies: Sustainability and Human Security in Post-Conflict Reconstruction, Duke University, November 2006.

Invited lecture “Big Dams, Big Fights,” Global Issues Colloquium, University of California, Santa Cruz, November 2006.

Invited participant, Workshop on Environmental Indicators for the Weak States Threat Matrix Project, Brookings Institute, Washington, October 2006.

Presented lecture “Governing Water: Globalization, Networks, and the New Face of Water Conflict,” in the “Critical Conversations on Civic Issues” series of the Beyond the Classroom Living & Learning Program, University of Maryland, October 2006.

Invited participant in the planning meeting for the Advanced Institute on Global Environmental Change and the Vulnerability of Water Resources in the Context of the Millennium Development Goals, Free University of Amsterdam and UNESCO Institute for Water Education, Amsterdam, Netherlands, October 2006.

Invited lecture, “Governing Water: Contentious Transnational Politics and Global Institution Building,” Woodrow Wilson Center for Scholars, Washington, June 2006.

Delivered the 2006 Sandison Memorial Political Science Lecture, Western Washington University, May 2006. Presented lecture “Science, Law and Social Movements: The International Politics of Water” and delivered conference keynote address.

Invited presentation for the roundtable “Understanding the Global Water Crisis: Insights from the GECHS Framework,” Woodrow Wilson International Center for Scholars, Washington, May 2006.

Invited lecture, “Water, Violence, Conflict and Cooperation,” Environmental Economics Student Group, University of Maryland, May 2006.

Invited lecture, “Environmental Peacemaking,” School of International Service, American University, April 2006.

Presented paper “Environmental Governance after Johannesburg: Stalled Legalization or Environmental Human Rights?” to the workshop of the Committee on Philosophy, Politics and Public Policy, University of Maryland, April 2006.

Presented paper “Environmental Peacebuilding in War-Torn Societies: Some Lessons from the UN Environment Programme’s Experience with Postconflict Environmental Assessment at the 47th annual convention of the International Studies Association, San Diego, California, March 2006.

Grants, scholarly awards, and fellowships received:

Workshop grant, International Studies Association, 2007. \$5000.

Winner of the International Studies Association's Chadwick F. Alger Prize for best book in the field of international organization, 2006. Awarded for *Governing Water* (MIT Press, 2006).

Winner of the International Studies Association's Harold and Margaret Sprout Award for best book in the field of international environmental affairs, 2006. Awarded for *Governing Water* (MIT Press, 2006).

Elmer Plischke Faculty Research Award in Political Science, 2006. The Plischke Award is presented annually to a member of the University of Maryland Department of Government and Politics faculty for outstanding accomplishment in research publication.

U.S. Department of Agriculture, Foreign Agriculture Service. Grant to the Harrison Program on the Future Global Agenda to support a Natural Resources Advisor, Latin American and Caribbean Region. 2002-2005. \$451,557.

U.S. Department of Agriculture, Foreign Agriculture Service. Grant to the Harrison Program on the Future Global Agenda to support a Biodiversity and Social Sciences Specialist. 2003-2008. \$230,588.

Winner of the International Studies Association's Harold and Margaret Sprout Award for best book in the field of international environmental affairs, 2003. Awarded to Thomas Princen, Michael Maniates, and Ken Conca for *Confronting Consumption* (MIT Press, 2002).

Semester research grant, University of Maryland Graduate Research Board, Fall 1999. Award provided salary support for full release from teaching duties for one semester.

Designated Research Infrastructure Fund (DRIF) grant, Department of Government and Politics, 1998. \$3000.

Workshop grant, Social Science Research Council, 1995. Co-recipient with Miranda Schreurs. \$5200.

Summer research grant, University of Maryland Graduate Research Board, 1994. \$6000.

Editorships and editorial boards:

Associate editor, *Global Environmental Politics*, since 2005. Editorial board member, 1999-2004.

Contributing Editor, *Politics and the Life Sciences*, 2001-2004.

Professional committees and advisory boards:

Member of the Expert Advisory Group on Environment, Conflict, and Peacebuilding, United Nations Environment Programme.

Member of the Steering Committee for the Global Environmental Change and Human Security

(GECHS) program of the International Human Dimensions Program on Global Environmental Change (IHDP). www.gechs.org

Member of the Advisory Committee for the Project on Managing Natural Resources in Post-Conflict Societies: Lessons in Peacebuilding. Joint initiative of the United Nations Environment Programme, the Environmental Law Institute, the University of Tokyo, and the Commission on International Law of the World Conservation Union.

Member of the Water Conflict and Cooperation Working Group of the Navigating Peace Initiative, Woodrow Wilson International Center for Scholars, 2003-2006.

http://www.wics.si.edu/index.cfm?topic_id=1413&fuseaction=topics.item&news_id=22503

International Studies Association:

- Nominating Committee, Environmental Studies Section, 2006-08.
- Executive Committee, Environmental Studies Section, 2001-2003.
- Chair of the Graduate Student Paper Award Committee, Environmental Studies Section, 2002.
- Harold and Margaret Sprout Award Committee, 1998-2000.
- Chair of the Nominating Committee, Environmental Studies Section, 1996-97.

Advisory Group, Initiative on Public Access to Environmental Decisionmaking, World Resources Institute, 2000-2002.

Critical Issues Committee, Geological Society of America, 1995-2000.

Professional associations: American Political Science Association, American Sociological Association, International Studies Association.

Peer-review activities:

External reviewer for several professional journals, including *American Political Science Review*; *British Journal of Political Science*; *Ethics and International Affairs*; *Global Change, Peace and Security*; *Global Environmental Politics*; *Global Governance*; *International Environmental Agreements*; *International Environmental Agreements*; *International Political Sociology*; *International Studies Quarterly*; *Journal of Environment and Development*; *Journal of Environment and Development*; *Journal of Interamerican Studies and World Affairs*; *Journal of Peace Research*; *Journal of Politics*; *Millennium: Journal of International Studies*; *Politics and the Life Sciences*; *Review of International Political Economy*; *Review of International Studies*; and *Studies in Comparative International Development*.

Manuscripts and book proposals reviewed for numerous publishing companies, including Addison Wesley Longman, Brown & Benchmark Publishers, Congressional Quarterly, Cornell University Press, Dushkin/McGraw-Hill, Lynne Rienner Publishers, MIT Press, Routledge, Sage

Publications, State University of New York Press, and Westview Press.

Occasional external reviewer of proposals for the MacArthur Foundation, the Carnegie Council on Ethics and International Affairs, and the National Science Foundation.

Selection Committee, Research and Writing Grants competition, MacArthur Foundation, 1999.

External reviewer for nine promotion-with-tenure cases since 1998.

Collaborative Studies Review Panel, MacArthur Foundation, 1994.

University service:

Director, Harrison Program on the Future Global Agenda, Department of Government and Politics (since August 2000). Duties include administering program budget; supervising two doctoral research fellows and one program assistant; organizing research workshops, conferences and speaker series; and promoting research initiatives.

Department of Government and Politics:

- Awards Committee (2007-08).
- Executive Committee (1994-95, 1998-99, 2004-05, and 2007-08).
- Graduate Studies Committee (2001-03, 2005-06, 2006-08).
- Post-tenure Review Committee (2008, chair 2009).
- Promotion and Tenure Committee (1999, 2001, 2008).
