- 2006 The George Washington University, M.A., Department of Sociology  
Thesis: *When AIDS Becomes Personal: Black Churches Response to AIDS*
- 2003 Ursinus College, Department of Anthropology and Sociology

**AREAS OF SPECIALIZATION:**

Demography, social theory, health, stratification, race, gender and sexuality

**PUBLICATION:**

- 2006 Beadle, Michelle. *Children in Low-Income Families: Summary of The Urban Institute and Child Trends Roundtable on Children in Low-Income Families*. Washington D.C.:The Urban Institute.

**PRESENTATIONS:**

- 2006 “Black Churches Responding to AIDS.” Presented at the Section on *Dangerous Places, Potential Spaces: Emerging Feminist Connections and Activisms in Local and Global Contexts*. Woman Studies Conference, University of Maryland College Park.

**FELLOWSHIPS AND AWARDS:**

- 1999 Ruth Hayre Scholarship
- 1999 City of Philadelphia Mayor’s Scholarship
- 2000 Ursinus College Dean’s Scholarship

2001 Ursinus College Summer Research Fellowship

2003 Jessie Ashworth Miller Award for Outstanding Student in Sociology

### **RESEARCH EXPERIENCE:**

- 2006 *Research Associate II*, The Urban Institute, Assessing the New Federalism.  
Served as a resource for internal researchers. Used statistical software to tabulate data for analytic purposes. Assisted in checking, recoding, and editing survey data and writing of both technical and public policy reports. Supported methodological analysis of survey data and the project's dissemination efforts.
- 2004-2006 *Principal Investigator*, The George Washington, Department of Sociology  
Leader of qualitative research assessing Black churches' response to HIV/AIDS in the District of Columbia. Presented research proposal, protocol, questions, and informed consents for IRB approval. Contacted and interviewed research participants using grounded theory and snowball sampling. Transcribed, coded, analyzed, and synthesized research findings.
- 2005 *Research Coding Project Intern*, United States Sentencing Commission, Office of Policy Analysis  
Member of a research team tasked with collecting federal sentencing data to be used for federal sentencing policy decisions and reports to Congress. Primary duties included analyzing sentencing documents to assess a variety of case and offender characteristics. Required accurate but efficient assessment of cases, coordinating with fellow research members, attention to detail, and strong analytical skills.
- 2004-2005 *Graduate Research Intern*, Community Education Group  
Conducted literature reviews and assisted in writing and editing research articles and grants. Performed quantitative analysis of African American's knowledge of HIV vaccine trials. Produced written report for organization's research literature and brochure.
- 2002 *Principal Investigator*, Ursinus College, Department of Anthropology and Sociology.  
Conceptualized and implemented research examining physician/patient interaction. Coordinated and analyzed interviews and presented findings to the college faculty, students, and staff.

**TEACHING EXPERIENCE:**

*Teaching Assistant:*

2006-2007 Socy100: Introduction to Sociology, Department of Sociology, University of Maryland, Professor John Pease.

**PROFESSIONAL AFFLIATION:**

American Sociological Association  
Population of America Association  
Association of Black Sociologists
